HEROISM AWARDS PRESENTED TELEPHONE FIRM EMPLOYES

While a forest fire was destroying Bandon, Oregon, in five hours last summer, taking 11 lives and driving 2,000 people to the ocean's edge, Evelyn Manciet stood firm at her switchboard, keeping open telephone lines for help and reassurance. She remained until after midnight, when the fire raged up to the exchange windows and shattered them, forcing her to drop her cords and "abandon ship."

In recognition of this "noteworthy public service," Miss Manciet, young chief operator for the West Coast Telephone Co., which serves a section of the northwest, was awarded a bronze Vail medal, it was announced yesterday.

Another of the bronze medals given annually by Bell Telephone System companies as a memorial to Theodore N. Vail, pioneer telephone leader, was awarded to Otto P. Hoffman, 3616 Sacramento street, San Francisco, draftsman for the Pacific Telephone and Telegraph Co. Last June Hoffman dived into deep water of Russian river, rescuing and later resuscitating Walter Callison Jr., a 10-year-old San Francisco boy.

Mrs. Wynetta Sabin, young operator, at her switchboard at 3:00 o'clock of a November morning last year, detected a fire and summoned aid that protected Medford, Oregon, from a disastrous conflagration. Carl R. Belknap, of Richmond, Calif., repairman of long distance telephone lines, for the fourth time in recent years rendered vital first aid in an emergency occurring near his work, on this occasion an automobile accident last June. Mrs. Sabin and Belknap were given honorable mention by the award committee of four operators, four plant men and three officers of the Pacific Telephone and Telegraph Co.

Tri-Motored Plane Brings Mrs. Rice

Mrs. George H. Rice, daughter-in-law of Mr. and Mrs. T. Clark Rice, 1519 Middlefield road, arrived in Redwood City Sunday and was met with a reception committee of persons who flocked to the local airport in the belief that they were witnessing the forced landing of a tri-motored air liner.

But such was not the case. Mrs. Rice arrived in a plane piloted by Keith Scott, friend of her husband who is a pilot on the Transcontinental & Western Air Lines. She will visit the county recorder and his wife until Wednesday.

The giant plane landed at the Chestnut street and Bayshore highway field, causing many to believe that it had come down in distress.

Charter Shift Hit By Women

The Peninsula League of Women Voters were on record today as opposing the Frederick Peterson amendment to the county charter.

The league's action was taken late Monday in Burlingame on recommendation of Mrs. Norman Dole, chairman of legislation.

The opposition was the first to be formally expressed and marked the inauguration of a campaign against the amendment, which would tear the heart out of the charter by making the county executive, coroner, treasurer, tax collector, recorder and engineer elective, instead of appointive as they are now.

The recommendation was based on a study of the charter made several years ago and carries out the league's declaration of "giving the charter a chance."

Mrs. Dole was elected president. She succeeds Miss Janet Pirpont Rogers, who takes over the position of auditor.

Drunk Driver Is Play Theme

Norman W. Pendleton, former pastor of the local First Congregational Church, will present the famous temperance drama, "Death Takes the Steering Wheel," at a Union service to be held in the First Methodist Church here, Sunday night, May 16.

Prominent Redwood City citizens will turn actors for a night, in order to participate in this production.

Outstanding citizens all over the state have been lending their aid to the cause of temperance by taking part in this drama. The following have taken part in the last few weeks: A United States federal attorney; Gov. Frank Merriam's personal secretary; the president of the College of the Pacific; the world-famous football coach of the same college; the director of physical education and football coach of a Sacramento high school; the state architect; the mayor of Stockton; a member of the state highway commission; numerous judges, city councilmen, a well known sheriff, and Phil Brubaker, boxer.

The drama deals with the problem of the drinking driver. It tells the story of a young man of high standing whose whole life is suddenly changed due to an accident while under the influence of alcohol.

Is this young man alone guilty of manslaughter? Who are the accessories before the fact? Who gave him the first cocktail? Who made it possible for him to obtain the narcotic which brought on the sudden tragedy in his life?

The drama proceeds to reveal the existence of a great conspiracy against the youth of California.

Admission will be free.

The Redwood City cast will be: Judge, Rev. C. E. Ward; prosecuting attorney, Rev. Alden A. Read; defense attorney, Norman W. Pendleton; court clerk, Bill Dusell; prisoner, Paul E. Hochstettler; coroner, Al. E. Kremer; detective, Max Shaffer; sweetheart, Mrs. Bobbie Gould; star witness, Mrs. Bess Balcomb, and bailiff, George Clarkson.

Summoned on the jury are: A. M. Glover, Mrs. W. I. Steele, Wilbur Doxsee, A. C. Argo, Mrs. J. J. Garland, Mrs. J. C. Dodge, B. E. Myers, M. W. Berry, John Mansbarger, Mrs. Anne Oehrli, Maj. H. W. Edmonds.

McILWRATH'S BROTHER DIES

Word reached here today of the death in Stockton of John McIlwrath, English war veteran and brother of Robert McIlwrath.

T. W. A. HEAD VISITS BAY REGION

SEATTLE BOUND: Jack Frye, president of Transcontinental & Western Airlines and Mrs. Frye depart for Seattle after their recent visit to the Bay Region. While in the north the young executive will inspect the new 36 passenger, 4 engined Boeings now under construction for T.W.A. The first of these ultra-modern substratosphere superliners are expected to be ready for delivery in the early spring of 1938.

Modern Sewage Disposal Plant Is Urged Here

Members of the Redwood City Exchange Club Tuesday heard Harvey E. Conner, local contractor, tell of his experiences in building a new sewage plant for Parlier, then urged this city to consider a similar program while federal funds are still available.

"Redwood City has the crudest kind of a sewer system," Conner declared. "While the PWA is still here, let's get some $40,000 or $50,000 of money just for the asking of it, and build a decent sewage disposal system."

Conner, a member of the club, told of numerous anecdotes in connection with the building of the Parlier system which cost $37,400.

Wilbur Doxsee was chairman of the meeting. A Sequoia high school boys' quartet, composed of Don Ward, John Dusel, Harry Killpack and George Hildebrant, entertained with several selections.

At a brief business meeting of the board of control, it was decided to pay expenses of two boys to the scout camp this summer.

SAN MATEO WOMAN DIES

SAN MATEO, May 11.—In failing health for the last several years, Mrs. Maria Rhodes Costa, 54, of San Mateo, died in her home Sunday. She is survived by her husband, two sons and a daughter. Funeral services will be held Wednesday at 8:30 a.m. from the George W. Sneider Mortuary.

DAY-OLD BABY DIES

Charles Field Jr., day-old son of Mr. and Mrs. Charles Field of Redwood City, died Wednesday afternoon at Community Hospital.

Cruelty Charged To Health Head In Divorce Suit

Cruelty was charged Monday by Mrs. Chelsea T. Gans when she filed suit in Reno for divorce from Charles C. Gans, San Mateo county health director.

Mrs. Gans was granted the divorce late this afternoon at an uncontested hearing.

"There is another woman," Mrs. Gans said at the brief 10-minute trial before District Judge B. F. Curler, "and that's why we were divorced."

She declined to mention any names.

Mrs. Gans said in her petition that an agreement dated March 26 arranged a property settlement. The couple were married in Jacksonville, Fla., September 16, 1914.

The departure of Mrs. Gans for Reno six weeks ago culminated a series of rumors that the Gans family was having domestic trouble. The Gans' formerly lived in Redwood City on Fulton street but immediately prior to the separation had lived in San Mateo.

Bruns Estate Totals $131,505; Willed Kin

The estate which Gerhard Bruns of Burlingame left to his wife, Anna, 77, when he died January 27, was worth $131,505, it was disclosed here as the report of Appraiser James A. Lee was filed with County Clerk E. B. Hinman. Bruns' will stipulated that the estate, upon his wife's death, should go to his son and daughter, Emily J., 43, and, George G. Bruns, 45, both of Burlingame. The elderly Burlingame resident was retired at the time of his death.

3-Year Plan To End in 2

While yet six months till Christmas, the Redwood City Chamber of Commerce Merchants' Christmas Lights Committee has begun its solicitation of funds from local merchants to finish the Christmas Lighting Program started last year.

In letters sent out to about 175 local merchants, the committee points out that last year the requests for funds to string the colorful lights over the city was so complete that far more was done than anticipated for the first year of what was to have been a three-year program. As a result, with similar contributions during the coming year, if matched again by the city, the plan can be completed. Thus lights will be strung in the middle of the blocks as well as on the corners.

Last year the merchants gave $691.50. This amount was matched by the city. Even more may be given this year, it is expected, because of the new firms which have been established since the last solicitation was made.

Consideration is also being given to the extension of the lights on Main street to Five Points (El Camino Real), but this program will depend entirely upon the results of the solicitation, according to Mark E. Ryan, city electrician.

Reason for the early solicitation for funds, the committee told the merchants in letters put in the mail today, is so the funds may be made available to the city fire department and material and equipment purchased and assembled during the summer months.

Baseball 'Organizer' Sought for Theft

Aloyise Aubin, who came here from Tacoma and announced he planned to organize a Redwood City semi-pro baseball team, was being sought today on a petty theft warrant.

Z. T. Thorning, local lumber company executive, signed the warrant, charging that Aubin pocketed a $20 donation the lumberman made toward the team.

GRASS FIRE ENVELOPS WAREHOUSE

Fire broke out at the warehouse of the California Floral Company at 441 Pennsylvania avenue, only a few hundred feet from the Redwood City Fire Department building, and did upwards of $200 estimated damage Tuesday.

The blaze destroyed packing materials stored in sheds outside the main building and spread to the outside walls and roof of the south end of the structure, which faces along the Southern Pacific Railroad tracks.

The interior, where more packing crates were stored, was not damaged.

The fire apparently started where grass was being burned around the shed, firemen said. The flames spread to the shed.

The building, owned by John W. Poole, is leased by Al Decia for his wholesale florist business, it was reported.

False Alarm Perpetrators Sought Here

$25 Reward Offered As 2 Calls Summon Firemen in Night

A reward of $25 was posted by City Manager C. L. Dimmit Tuesday on behalf of the city for aid in the arrest and convictions of suspects who tamper with Redwood City fire alarm boxes.

The city manager's action came following two false alarms Monday night. The first, at 9 p.m., brought firemen and equipment to Reese street and Redwood avenue.

Nearly two hours later, at 10:55 o'clock, the department was again summoned by an alarm from Beech and Main streets.

APPLIES TO FIREBUGS

The reward will apply also to any persons caught firing trees or other property, Chief of Police C. L. Collins said.

In the past three weeks four trees have burned, all apparently fired maliciously, according to police and firemen.

Portola Woman's Brother Succumbs

Charles John Cullen, 41, brother of Mrs. J. C. Currier of Portola, died over the week-end in Oakland. Besides Mrs. Currier, Cullen is survived by three other sisters, Mrs. J. P. Donnelly of Chillicoot, and Mrs. R. L. Phibbs and Mrs. J. D. Perry of Oakland.

Louis Dresti Dies In Hotel Corridor

The death of Louis Dresti, 55, local laborer, was discovered late Monday evening when Joe Gorman, fellow boarder at the Hotel de Redwood, discovered Dresti's body in an upstairs corridor.

Dresti had been ill for several days, and it is believed he staggered from his room before collapsing in the corridor. Coroner's deputies said the death was presumably due to a heart attack.

Although a native of Italy, Dresti had long been a resident of Redwood City. He is survived by a brother, Victor Dresti of this city, and by two sisters in Italy, Mrs. Fiorenta Cheriolli and Mrs. Josefina Porta.

More than 200 miles of bicycle paths have been built recently in berlin, Germany.

Children's parties are light work for Mrs. Thomas Curran, especially when her two tots, Tommy and Nancy, help serve refreshments—ice cream and ice box cookies. The ice cream was made in a combination vacuum and hand freezer that requires only five minutes' cranking. The cookies came out of the Curran's air conditioned ice refrigerator.

New Rheumatic RELIEF for only 25c

TODAY—FRIDAY and SATURDAY

SPECIAL COUPON offer open to anyone in REDWOOD CITY who suffers from the agony of

RHEUMATISM, ARTHRITIS NEURALGIA, NEURITIS

For three days only (today, Friday and Saturday), an amazing offer is being made to every pain-wracked person in Redwood City, every victim of the horrible agony of rheumatism, rheumatic arthritis, neuralgia and neuritis. The famous medicine—Williams R. U. X. Compound—which has given absolute proof of its great power in relieving rheumatic pain, is to be introduced locally. In order to demonstrate its power right here in Redwood City an introductory treatment is offered for only 25c, today, Friday and Saturday, to anyone who presents the coupon.

The Secret of R. U. X.

For centuries, rheumatic pain has been one of the world's most destructive plagues. This disease has actually crippled more people than all the wars of history, and only now is medical science finding out how to get to the CAUSE of the pain.

This remarkable formula Williams R. U. X. Compound—is the private prescription of a physician in the United States Army, who saw for himself during the World War all the wretched, hopeless misery caused by rheumatic pain. He determined to go beneath the SURFACE SYMPTOMS, and to find out how to treat the pain itself.

What R. U. X. Will Do for You

Within four minutes after you take a dose of R. U. X., it will begin to be absorbed into your blood stream. A remarkable ingredient is carried through the tissues of your body, and actually reaches the muscles themselves from the INSIDE, where the painful uric acid deposits lie.

Thousands of men and women, who had been spending large sums of money on costly treatments, have found quick relief by using this remarkable and inexpensive medicine.

Introductory Trial Offer

Everyone who suffers from the pain of rheumatism, rheumatic arthritis, neuralgia and neuritis, owes it to himself and his family to TRY this medicine which has done so much for others. To PROVE, beyond the shadow of a doubt, just what Williams R. U. X. Compound can actually do, this introductory 25c treatment is actually offered below cost—because the regular full-size price of this medicine is $1.50. Could there be any greater proof of the faith which druggists have in Williams R. U. X.? 90% of the people who try this medicine are absolutely convinced by the first trial, that it is exactly the medicine their system needs.

Special Coupon Offer

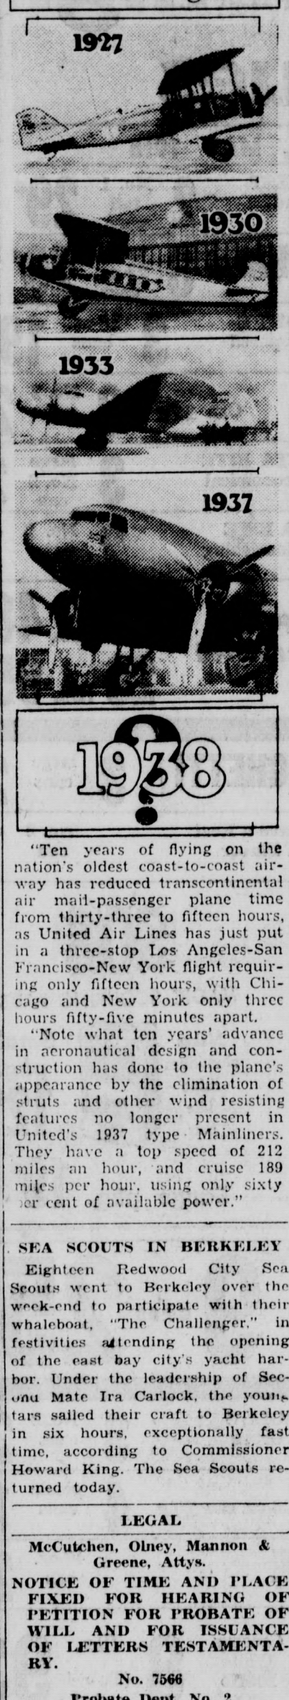

Not more than one coupon can be presented by the same person. Clip this coupon—right now—and present it to Young Drug Co. or San Carlos Drug Store.

This Coupon and 25c entitles bearer to introductory bottle of Williams R. U. X. Compound at Young Drug Co. or San Carlos Drug Store Good Today, Friday and Saturday Only

A Decade of Plane Progress

"Ten years of flying on the nation's oldest coast-to-coast airway has reduced transcontinental air mail-passenger plane time from thirty-three to fifteen hours, as United Air Lines has just put in a three-stop Los Angeles-San Francisco-New York flight requiring only fifteen hours, with Chicago and New York only three hours fifty-five minutes apart.

"Note what ten years' advance in aeronautical design and construction has done to the plane's appearance by the elimination of struts and other wind resisting features no longer present in United's 1937 type Mainliners. They have a top speed of 212 miles an hour, and cruise 189 miles per hour, using only sixty per cent of available power."

SEA SCOUTS IN BERKELEY

Eighteen Redwood City Sea Scouts went to Berkeley over the week-end to participate with their whaleboat, "The Challenger," in festivities attending the opening of the east bay city's yacht harbor. Under the leadership of Second Mate Ira Carlock, the young tars sailed their craft to Berkeley in six hours, exceptionally fast time, according to Commissioner Howard King. The Sea Scouts returned today.

ANNEXATION VOTE UNANIMOUS

100 Per Cent of Electorate (4) Cast Ballots

PORT AREA COMES INTO CITY

Four citizens residing in Redwood City Harbor District were on record today as favoring unanimously the annexation of that area to the City of Redwood City, following what was probably the most singular election ever held in San Mateo county if not the United States.

The four citizens, representing 100 per cent of the population of the area, not only agreed on the issue at hand, but three of them served on the election board that counted its own ballots.

Records show no similar "canvass of the people" in the history of the county, where a complete turnout voted unanimously.

In addition, two of the citizens, J. E. Cameron, Yacht Club Custodian, and Edwin Holmquist of the tax collector's office, are employed by the city, which sought the vote. Mr. and Mrs. Emile DeHoff, the other voters, use and live on city-owned property.

The land will not become officially part of the city, however, until accepted by the city council, probably at its next meeting Monday night, when either a resolution or an ordinance is expected to be presented.

The land involved includes about 90 acres of usable property, including the present city-owned Yacht Harbor, not now within the city limits, City Manager C. L. Dimmitt explained.

However, creek channels and much non-usable slough property would make the total area far larger, Dimmitt said.

In general, the area extends from the present city line to the Pacific Portland Cement Company plant and between the Southern Pacific spur line and Redwood Creek.

Sequoians to See Pictures of Arctic

"Top of the World," an eight-reel motion picture of the Arctic, will be shown at the Sequoia high school auditorium on May 19 at 3:45 o'clock in the afternoon by Douglas E. L. Kislingbury.

Also featured on the program will be Capt. George Clements, Arctic explorer, who will have with him his dog, "Monty," who will perform for the audience. McKinley School pupils have been invited to join the Sequoians for the special program, and the public is also invited. Admission will be 10 cents for students and 25 cents for adults.

EVEN TEMPERATURES MAINTAINED

Recent tests show that the inside temperature of the new Westinghouse Refrigerator will remain between 37 and 40 degrees over long periods of time with very little current consumption, although the outside surrounding temperature is raised to 125 degrees. The official test panel shown at the left in the above picture of "Hell's Kitchen" records the current consumption, the actual operating time of the mechanism and the inside and outside temperatures. The Westinghouse refrigerator is sold locally by the Good Housekeeping Store.

Memorial Day Holiday Safety Drive Is Slated

All citizens of San Mateo county and San Francisco were called on today by John Vogt Jr., adjutant of the 26th district of the American Legion, to aid in a three-day Memorial Day safety campaign set for May 29-31.

A slogan, "Death Rides at 50," has been adopted for the campaign.

"Over 30,000 people will come into San Mateo county over this period of three days, and it is obvious that we need everyone's support in an educational 'Death Holiday Campaign,'" Vogt said in announcing the event, decided upon at last week's meeting of the district legionnaires.

Sheriff Office Change Set; S.M. Gets Rhodes

Sheriff James J. McGrath today announced he would appoint Deputy Sheriff Clement T. Nash to replace Belton Rhodes, chief civil deputy in the sheriff's office who was named city clerk Monday by the San Mateo City Council to succeed the late Ed Foster.

Rhodes will take over his new post next Monday. He will receive $200 a month. Foster received $250.

Nash is now on a trip to the Hawaiian Islands but is expected to return towards the end of May.

McGrath said he would name a new deputy to take over Nash's former duties in the criminal department.
